

A Time To Dance requires Credit Card information, to keep on file, for every family. Your card will not be charged, unless there are balances due, or you have asked to have a payment made with the card. We will be keeping this information in a locked box and will shred it once the season is over. If you are late on your payments, tuition is due the 1st day of each month and late after the 10th, your credit card will be charged for that tuition installment, the \$10 late fee plus a 6% up charge to cover processing fees. If costume payments are late, they are due Nov. 1st, Costume fee and the \$10 per week late fee, may be charged to your card along with a 6% up charge to cover processing fees.

\*\*I have read and understand the information above and agree to have my credit card charged, should such cases occur.
